Mob: +91 9702242931 | E-mail: priya.tiwari167@outlook.com

Professional Summary: A content marketing specialist with 5+ years of experience in writing, strategising, and publishing long-form and short-form content. Over the past 3.5+ years, I've driven traffic and led conversions across industries like B2B SaaS, Real Estate, Ed-Tech, and Gaming Industry. Skilled in full-funnel content strategies, including SEO, email marketing, Reddit-led growth, and Instagram marketing. Experienced in managing content clusters end-to-end and optimising performance using tools like GA4, GSC, and Semrush. Proficient in using AI to scale and streamline content operations.

Work Experience

Deal Writer

CNET | Oct 2025 –

- Searching online stores every day to find and share the best sales on tech and household items.
- Creating easy-to-read articles and deal roundups that helped readers save money and buy the right products.
- Using price-tracking tools to make sure discounts were real and offered true value before writing about them.
- Updating article details quickly when sales ended, promo codes expired, or items ran out of stock.

Executive Content Writer

Deltatech Gaming (Now Head Digital Works) | Real-Money gaming | Feb 2024- Sept 2025

SEO Content Writer

- Wrote and optimised 100+ new blog posts and improved 200+ existing articles using SEO metrics to increase visibility and engagement.

- Collaborated with the SEO team to define impression and click targets, contributing to a performance milestone of 14.2M impressions and 275k clicks.
- Utilised tools such as Google Analytics, Google Search Console, SEMrush, and Ahrefs to monitor content performance and refine strategies.

Copywriter - Acquisition, Retention & Revenue

- Developed persuasive, on-brand copy across multiple channels to support acquisition, retention, and revenue goals. This includes landing pages, emails, push notifications, and in-app messages.
- Demonstrated strong understanding of the customer lifecycle and user behaviour to craft journeys tailored to each stage.
- Collaborated with product, CRM, and growth teams to plan and execute lifecycle campaigns that aligned with business goals.
- Contributed to key acquisition milestones, including 40-50k page sign-ups and 7k first time deposits (FTDs), through targeted messaging and conversion-driven content.
- Ensured messaging consistency across channels while optimising for clarity, engagement, and performance.

Online Reputation Management (ORM) for Social Media

- Led Online Reputation Management efforts in collaboration with the social media team, ensuring timely and strategic brand engagement.
- Monitored and managed brand sentiments using Brandwatch, ensuring timely and appropriate responses to both positive and negative comments across platforms.
- Proactively handled spam and inappropriate content to prevent Meta restrictions and maintain compliance with platform policies.

Content Writer Analyst

Houzeo | D2C Real Estate Tech | January 2023 - December 2023

- Wrote 40+ original , search optimized blog posts, while maintaining the high standards of grammar and vocabulary.

- Reviewed and proofread all team generated content to ensure it was error free, brand aligned, and ready for publication.
- Worked closely with the Analytics (DME) team to identify new cluster opportunities through keywords and performance analysis using Semrush and Google Search Console (GSC).
- Fully owned and led three content clusters that generated 600,000+ organic sessions within 12 months.
- Planned quarterly content strategies to align with Marathon Milestones, contributing directly to traffic and ranking growth.
- Spearhead internal linking strategies across several real estate topics, improving the content visibility and SEO performance.
- Trained and mentored junior writers on content strategy, SEO practices, and Houzeo guidelines.

Content Writer

Learnbay | Ed-tech (Data Science) | January 2022 - December 2022

- Developed and maintained a comprehensive social media content calendar aligned with company goals.
- Created and published diverse, platform specific content (text, images, and videos) across Twitter, Facebook, Instagram, LinkedIn, Pinterest, Tumblr, and Youtube.
- Led the content development for a marketing campaign from concept to execution, ensuring alignment with brand messaging and campaign objectives.
